Join us for **Beloved Blankets**, an event dedicated to creating blankets that make a meaningful impact for pups in need! We often take blankets for granted as household essentials, but for many **animals in shelters**, they are a luxury they don't have. These furry friends deserve warmth, **comfort**, and love during their stay in a scary and unfamiliar place, instead of cold concrete floors.

Our event will provide your team with kits containing everything needed to **make blankets** that will be donated to a local Humane Society or animal shelter. Whether you're a seasoned blanket-maker or a novice, we'll **guide you through** the process, ensuring that you leave with the satisfaction of knowing you've **made a difference** in a shelter dog's life. Imagine the gratitude of these pups as they patiently wait for their forever homes. Let's make their tails wag with **joy** and show them that we care!
